11:30AM Education & Lunch

Twin Hickory  
4601 Twin Hickory Lake Drive  
Glen Allen, VA 23059

Homeowners living in a wooded environment or what is referred to as the Wildland Urban Interface must know what their Risk is for wildfires, they must know what their Responsibility is to mitigate the Risk and in doing so will find the Rewards of taking proper actions. This is as equally important for all those who work with these communities or partner with them, everyone has a role in reducing a communities and a homeowner's risk to wildfires. There will be a basic introduction to the wildfire risk here in Virginia and also identify programs and ways in which we can collaborate.

Registration fee includes  
lunch & education:
